# Quod Grat Demonstrandum

(Which Was To Be Proved)

If the Negro race, the aborigines of the "Dark Conti-nent", captured, sold and enslaved, had transmigrated into the Western Hemisphere with its climate less torrid and conditions more foreign to the physique; and if this race interesects with the Caucisian and propagates species of the human family; and further, if the Negro race produces, of itself, men of literary commercial and political fame, prove [1] that the Negro is a human beign, and (2) that he is capable of attaining the same heights of civilization as other race

is capable of attaining the same heights of civilization as my other race as my other race as any other race as a superior content of the same of the content of the same of the content o
